# Counterdrug Aviation Request Form

---

To request National Guard Aviation Support for counterdrug missions, complete the attached form and fax it to the number listed below, or contact any of the RAID personnel listed and they will complete the mission request for you and fax it to your agency for approval.

The following information should be gathered and provided by the requesting agency prior to the requested flight:

**1. Current County Map**

- a) The map should indicate the areas to be flown.  
(Based on prior intelligence or current CI information)
- b) Included with the map should be landmarks, GPS coordinates if available, and accurate directions.

**2. Communications**

- a) Ensure ground personnel have radios and provide those frequencies to the aircrew – include “tone codes” along with Transmit and Receive frequencies.

**To Confirm Flight Date(s), call the Florida Army National Guard:**
